## COURSE HIGHLIGHTS

---

- Internationally known faculty
- State-of-the-art topics in Gastroenterology and Hepatology
- Hands-on use of endoscopic and surgical laparoscopic simulators
- Learning center
- Mock trial

**Learning *Linked to Leisure*** – This course covers a broad spectrum of topics in gastroenterology, hepatology, and endoscopy. The faculty was chosen not only because of their medical expertise, but because they are thoughtful educators. The course directors have sought to maintain a balance between educational and recreational activities by offering half day and evening sessions, that allow time to explore the area, relax, or rejuvenate the body and mind.

## COURSE LEARNING OBJECTIVES

---

Upon completion of this course, participants should be able to:

- Compare conventional and new therapies for the management of esophageal reflux, inflammatory bowel disease, hepatitis, and irritable bowel syndrome
- Compare conventional and novel diagnostic tests for colon cancer
- Assess advanced endoscopic therapies for biliary, pancreatic, and neoplastic diseases
- Identify indications for capsule endoscopy and virtual radiography
- Evaluate management strategies for obesity, anorectal disease, and motility disorders
- Assess role of liver transplantation for patients with advanced liver disease

## DISCLAIMER

---

*Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.*

## CREDIT

---

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 24 category 1 credits towards the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

This program has been approved by the American Osteopathic Association for 24 hours of 2A accreditation.

## HANDS-ON SIMULATORS

---

Sophisticated endoscopic simulators will be available for hands-on use by course registrants who sign up for this optional afternoon activity. These technologies allow the participant to train and/or test their skills with colonoscopy, ERCP, and specific endoscopic therapies, such as the management of GI bleeding. In addition surgical laparoscopic simulators will be available. A limited number of simulators will be available Tuesday – Thursday in half-hour sessions from 1:30-4:00 pm as an alternative to leisure and recreational activities. *Pre-registration is required via the course registration form.* Every effort will be made to accommodate the session of your choice, based on the order it is received. Your session will be confirmed in your course confirmation letter.

## ENDOSCOPY LEARNING CENTER

---

The Endoscopy Learning Center is a collection of more than 50 videotapes developed by the American Society for Gastrointestinal Endoscopy. These tapes, with audio commentary, demonstrate both basic and advanced procedures. The learning center is on a drop-in basis and will be available Tuesday – Thursday from 1:30-4:00 pm as an alternative to leisure and recreational activities.

## MEETING LOCATION

---

The Scottsdale Marriott at McDowell Mountains is located at 16770 North Perimeter Drive, in Scottsdale, Arizona. Set amid the calming beauty of the desert and a serene blend of southwestern culture, the **Scottsdale Marriott at McDowell Mountains** is a magnificent retreat that combines a spectacular resort setting with the convenience and amenities of an all-suite luxury hotel. Their **two-room** suites are spacious and inviting, offering a separate living area complete with wetbar, refrigerator, 2 televisions, and 3 telephones with dual voicelines and a high-speed T1 Internet connection. And when you're ready for a good workout, their state-of-the-art fitness center, complete with whirlpool and sauna, is fully equipped with a variety of aerobic and weight machines to accommodate all different levels.

If it's breath-taking views you're after, you won't have to venture too far...the resort offers spectacular views of Camelback, Squaw Peak, and the McDowell Mountains right outside the front door. Plus, the Marriott at McDowell Mountains is ideally situated between some of the finest restaurants and upscale shopping in the North Scottsdale/Carefree area. For more information, visit their website at: [www.marriottscottsdale.com](http://www.marriottscottsdale.com)

## RECREATION

---

Scottsdale offers both the means and the mindset to venture forth into the great outdoors – to pursue a favorite pastime or take up a new activity. Year-round sunny skies allow for ample hiking or biking through the dramatic Sonoran Desert landscape. Or you can enjoy a journey into the majestic McDowell Mountains on horseback to experience the city's Western heritage. If you're not a landlubber, take to the skies in a hot air balloon. There are more than 200 golf courses in Maricopa County. Scottsdale Marriott at McDowell Mountains has privileges with the Tournament Players Club and is able to assist you with tee times. Also in the vicinity of the hotel is the Grayhawk, Troon North, and Wildfire Golf Clubs. Contact the Hotel Concierge at **1-480-502-3836** to arrange a tee time.

If indoor activities are more your style, you'll find an endless array of shopping malls, boutiques, and outlets to keep your fashion taste buds tantalized. And when you've exhausted all the shopping you can manage, there are a multitude of fine dining establishments that are just waiting to whisk you away from the cares of the day into a variable culinary paradise...everything from Italian, Mexican, Continental to French, Cuban, Greek, and Mediterranean. Bon Appetit!

Additional recreation and leisure activities are listed on the Phoenix website at: [www.phoenixcvb.com](http://www.phoenixcvb.com).

## YOGA

---

Renowned yoga expert, Katherine Roberts, will lead the course participants in breathing exercises. In addition, while the medical education is taking place for course participants, Ms. Roberts will conduct a class on Wednesday for guests of course participants. This hour-long session will be appropriate for advanced yoga enthusiasts, as well as beginners. Limited space is available and classes will be filled in the order the registration form is received. A nominal fee of \$10 per session is required for participation. *Complete information and a registration form will accompany your course confirmation letter.*

## REGISTRATION

---

To register, please complete the attached registration form and return with payment. If you are using a credit card, you may fax your completed form to **1-480-301-8323**. The registration fee is **\$495 until January 23 and \$550 thereafter** for physicians active in practice. This fee includes (*for course registrant's only*): tuition, continental breakfasts, refreshment breaks, reception for two, a comprehensive course syllabus, Endoscopy Learning Center, hands-on simulators, and Wednesday evening's yoga instruction. Special rates are available for residents, retired physicians, active duty military, and Indian Health Service physicians – please call 1-480-301-4580 to obtain the appropriate registration fee.

*Although it is not Mayo Clinic's policy to limit the number of registrants for a course, resort conference room facilities may necessitate closure of enrollment. Early registration is strongly recommended. Walk-in registrations cannot be guaranteed. Please confirm registration prior to making travel arrangements.*

In case of an emergency, you may be reached at the conference by calling **1-480-502-3836**.

For additional information, call Mayo School of Continuing Medical Education - Scottsdale, at **1-480-301-4580** or e-mail [mcs.cme@mayo.edu](mailto:mcs.cme@mayo.edu)

## LODGING ACCOMMODATIONS

---
