

Pulmonology Physician Update

September 2023

Patient Care

Mayo Clinic's Center for Sleep Medicine

One of the largest sleep medicine facilities in the U.S., Mayo Clinic's Center for Sleep Medicine offers more comprehensive and accurate diagnosis and treatment plans for a broader range of patients.

Research

Respiratory complications of hematopoietic stem cell transplantation

Hematopoietic stem cell transplantation (HCT) is a potentially curative and lifesaving treatment option for hematologic cancers such as leukemia, lymphoma and myeloma. While other aspects of post-HCT care have improved, there has been little progress in understanding and management of HCT-related pulmonary syndromes.
